## Technical data

### General

|                                  |                     |
|----------------------------------|---------------------|
| Housing material                 | Die-cast zinc       |
| Color                            | Blue                |
| Surface                          | With powder coating |
| Operating temperature range min. | -20 °C              |
| Operating temperature range max. | 60 °C               |

### Model

|                        |                      |
|------------------------|----------------------|
| Construction           | 48                   |
| Model of the housing   | female               |
| Locking mechanism      | Single locking lever |
| Cable entry            | None                 |
| Type of cable          | None                 |
| With cable screw gland | No                   |
| Thread size PG         |                      |
| EMC-version            | No                   |
| Length                 | 165 mm               |
| Width                  | 90 mm                |
| Height                 | 62 mm                |

### Classification

|            |          |
|------------|----------|
| ECLASS 11  |          |
| ECLASS 8.1 | 27440202 |
