Dimensions

Rating

Item	Specification
Rated Voltage	250V(AC)
Withstand Voltage (between coils)	2000 V(AC)(1minute) or 2400 V(AC)(1second)
Insulation Resistance(between coils : 500VDC)	100 MΩ min.
Winding Temperature rise	60 °C max. (with Rated Current)
Operating Temperature Range	-25 to +60 °C
Storage Temperature Range	-25 to +85 °C
Safety Standard
