

## W-05 ( 05A )

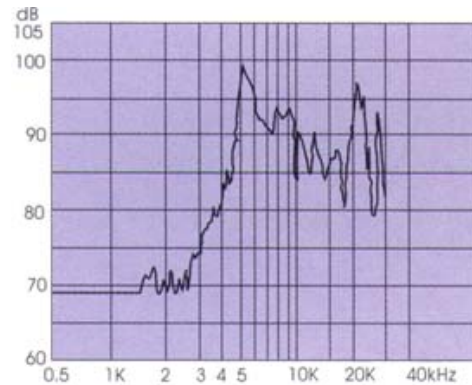

### FEATURES:

- Small and light
- Compact structure
- High reliability

### DIMENSIONS: (Unit: mm)

### CHARACTERISTICS:

### ELECTRICAL SPECIFICATIONS :

| Model No.                         | W-05                                        | W-05A                                           |
|-----------------------------------|---------------------------------------------|-------------------------------------------------|
| Min. Sound Pressure Level (dB)    | 95/22 $\pm$ 1KHz/2.83VRMS<br>Sine Wave/50cm | 100/4.5 $\pm$ 1.5KHz/2.83VRMS<br>Sine Wave/50cm |
| Rated Voltage (V <sub>p-p</sub> ) | 30                                          |                                                 |
| Capacitance at 120Hz(nF)          | 110 $\pm$ 30%                               |                                                 |
| Resonant Frequency (kHz)          | 22 $\pm$ 1                                  | 4.5 $\pm$ 1.5                                   |
| Operating Temperature (°C)        | -20 ~ +70                                   |                                                 |
| Weight (g)                        | 10                                          |                                                 |
| Case Material/Colour              | ABS/Black                                   |                                                 |

### PACKING INFORMATION :

|               |                           |
|---------------|---------------------------|
| Packing :     | 720 pcs per export carton |
| Carton Size : | 47 X 30.5 X 35 cm         |
| G. Weight :   | 9 kgs                     |
| N. Weight :   | 7 kgs                     |
